
Terms of Engagement Document

This Terms of Engagement Document sets out the expectations and obligations of learners in the IMS' Part-time Master of Science program.

By signing this document, I confirm the following:

I understand that some aspects of the Part-time Master of Science program must be completed during standard business hours (Monday to Friday, 8 AM – 5 PM) and I will be able to make the necessary arrangements to meet those requirements. These include:

- In person attendance at all elements of the mandatory course MSC1010H (maximum of 3 hours/week in some semesters)
- Attendance at any offered courses taken to meet course requirements (in person or virtual as per the course schedule)
- In person attendance and presentation at a minimum of one IMS Scientific Day (one full day in any year of the program)
- In person attendance at a minimum of one Ori Rotstein Lectureship in Translational Research (one half-day in any year of the program)

I have commitment from my primary employer to approve the required time away from my full-time employment to meet these requirements (i.e. through vacation time, professional development leave, shift alterations, personal leave, etc.)

I understand that failure to meet the program requirements could impact my academic standing and progression through the program.
